This poster is intended to be a resource for commercial growers and other Green Industry professionals in Georgia and the Southeastern United States. This poster is a companion to the "Center for Applied Nursery Research - Azalea Cultivar Trial Data Summary" poster and can be downloaded at <http://www.canr.org>.

Funding for this publication was made possible by the U.S. Department of Agriculture's (USDA) Agricultural Marketing Service and the Georgia Department of Agriculture (GDA) through a Specialty Crop Block Grant. Its contents are solely the responsibility of CANR and do not necessarily represent the official views of the USDA or GDA.
